I was born and grew up in Wayne, NJ.

I studied physics and studio art at Williams College in western MA until 2004.

I've worked as a teacher and have facilitated several community-based art projects/workshops in the past few years.

I live in Long Beach, CA and will complete the MFA degree in 2011.

For future friends, collaborators, employers, or others who might like a real resume or more in depth discussion of my drawings, feel free to email me at [mjwinkler@gmail.com](mailto:mjwinkler@gmail.com). Thanks for your interest in my images and short statement.
